**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

Sir:

This is in response to the Notice of Non-Compliant Amendment mailed April 11, 2006.

**Remarks**

The amendment to the specification at page 3, line 15 was in fact indicated with markings in applicants' response. The word "engines" was replaced with "engines" and was correctly identified in the response using the track changes feature. The amended line was also identified with a vertical line in the margin. A further page 2 of the response is attached.
